SAND

A close-up photograph of a terracotta surface, showing a rich, reddish-brown color with a fine, pebbled texture.

TERRACOTTA

A close-up photograph of a sand surface, showing a dark, charcoal grey color with a fine, granular texture.

SAND

A close-up photograph of a dark, textured surface, possibly representing the ocean, showing a dark charcoal grey color with a fine, granular texture.

OCEAN

A close-up photograph of a light-colored, textured surface, possibly representing the moon, showing a light beige or off-white color with a fine, granular texture.
